HONORABLE BOARD OF SUPERVISORS
County of Los Angeles
501 Hall of Records

Gentlemen:

Subject: ANNEXATION OF A PORTION OF A COUNTY
HIGHWAY TO THE CITY OF LONG BEACH

Amendments to the Government Code enacted by the 1955 Legislature permit the Board of Supervisors to initiate proceedings whereby unincorporated territory consisting solely of highways, or portions thereof, and bounded on both sides by city boundaries, can be annexed to one of the adjacent cities. The reason for annexing such unincorporated highways to adjacent cities is to remove a confusing problem of control and supervision over performance of governmental services on such highways, which confusion also results in inconvenience to the public, particularly abutting property owners.

On October 9, 1956, the City Council of the City of Long Beach adopted Resolution No. C-16040 requesting the Board of Supervisors to effect the annexation of a portion of a County highway described as Increment 149 to the City of Long Beach. This portion of unincorporated territory, consisting solely of a highway, has been approved by the Los Angeles County Boundary Commission as required by law. The City of Lakewood which bounds this increment on the opposite side, has no objection to this proposed annexation to the City of Long Beach.

This office and the County Engineer have investigated this proposal and concluded that it would be advantageous for the County to effect the annexation of this portion of a County highway to the City of Long Beach. Proceedings are initiated by the Board of Supervisors by passing a resolution of intention to cause the annexation and filing a notice of a public hearing. Subsequent to the hearing, a majority vote by your Board will make the final decision on the proposed annexation.

IT IS THEREFORE RECOMMENDED

That your Board adopt the attached resolution to cause this annexation, and to file notice of a public hearing thereon, in accordance with the provisions of Government Code Sections 35450-58.
